[Row 2750 Condos Still Available](#)

November 13, 2010 - Buyers who are looking for pre-construction Chicago condos that will be ready for delivery in a few months may want to check out the new project called Row 2750. We told you about this Chicago real estate development a few months ago and work on the project has been moving right along since then. According to an article in Chicago Magazine, the condos will be ready for delivery by next spring.

LG Development Group's Row 2750 will offer buyers condo layouts that are more like single-family homes but not as costly, according to the article. The condos measure from 22 to 28 feet wide and have plenty of natural light with floor-to-ceiling windows and glass balcony railings.

Other condo features include 10 foot high ceilings, wood burning fireplaces with gas starter, hardwood flooring, built-in bookcases, Wolf, Miele and Sub-Zero stainless steel kitchen appliances, kitchen island, oversized sink, custom cabinets and designer lighting, granite counter tops and stone, tile or glass backsplash. Baths come with double sink, granite or marble vanity tops, steam shower and Thermo-Masseur air-jet tub.

The eleven condos at Row 2750 are listed below.

Unit#1 / 4BR/4Bath / 3,982 sq ft / \$1,349,000 / for sale
